

**Quick Start Application**

Your time is valuable! This application is intended to expedite the account opening process. Republic Bank serves customers in Duluth, Hibbing, Esko and surrounding communities in Northeastern Minnesota.

For most accounts and services, submission of this application will not replace the necessity for you to personally visit one of our convenient locations to complete the process. A representative from the bank will contact you to schedule an appointment. You will bring photo identification, opening deposit, and will sign the account agreement at that time. Should you have any questions, please do not hesitate to contact us.

All applications are subject to verification and approval.

**IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT**

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.
